PEOPLE AND ORGANISATION PARTNER  
PWC AFRICA

Barry is a People and Organisation partner in PwC Africa, with an interest in HR Technology, Learning and Culture teams. His first love is the art of learning. He has been involved in the HR and technology arenas since 1994, holds a masters degree in Computer-Aided Education and is a Master HR Practitioner with the SABPP. He began his career as a lecturer in Afrikaans Linguistics at the University of Zululand and has since worked at ABSA Bank, Africa Growth Network, IBM/Lotus, GijimaAST, EPI-USE and PwC. His work typically includes a combination of architectural guidance, business consulting, strategy and project/programme management in the fields of HR, talent management, HR trends, capacity building, knowledge management, learning technologies, talent management and information technology.
