

KEYNOTE SPEAKER JOHN MACY

FOUNDER
COMPETITIVE EDGE TECHNOLOGY

John Macy is a globally recognised thought leader in HR technology and has been an industry leader for the last two decades. He founded Competitive Edge Technology in 1994. He was awarded a Life Fellowship with the Australian HR Institute in 2013 and inducted in AHRI's Hall of Fame in 2020. He is a member of AHRI's Technology Advisory Panel, a member of the ISO Standards Committee for Blockchain and was a member of a working group developing Australia's Blockchain Roadmap. As an HR consultant specialising in technology he has worked throughout Asia and China and spent several years working in America. He has written several books on HR technology and contributed to numerous publications over many years. His extensive HR experience was gained working for Qantas Airways in senior HR positions.
